COURSE OVERVIEW

Royal St. Kitts Golf Club originally opened in 1976 and recently completed a much anticipated renovation in the fall of 2004. Famed Canadian Architect Thomas McBroom has skillfully remodeled Royal St. Kitts Golf Club to provide breathtaking views of the natural terrain. The course boasts spectacular and picturesque holes which border the sandy beaches of the Atlantic Ocean and stretch to the calm waters of the Caribbean Sea.

This links style golf course has five par 3's with three full holes on the Atlantic Ocean and two full holes on the Caribbean Sea. The par 71 layout is spread over 125 acres of irrigated lush Seashore Paspalum, an advanced hybrid turf grass, specifically designed to tolerate the salty ocean spray.

Displaying a moderate number of sand bunkers, 12 beautiful lakes, wide fairways and large putting greens, it is a fair yet challenging test of golf. Four sets of tee complexes allow golfers of all skill levels to enjoy the challenge posed by this magnificent layout.

We pride ourselves on maintaining the best quality playing surface in the Caribbean, while providing world class service for an enjoyable "Royal" experience. We look forward to having you join us in paradise for your next royal getaway!
